

Jiro Kamata / Gerd Rothmann

Champagne for the Eyes

Jubiläumsbroschüre November 2022

JIRO KAMATA GERD ROTHMANN

The bond between Jiro Kamata and Gerd Rothmann can be found, despite vast differences, in an equal artistic attitude. Their engagement in the work with jewelry, makes a juxtaposition possible and interesting.

For the 30th anniversary of the gallery, we have selected photos about three generations of women in the Biro family.
